

CBH Kwinana Fertiliser Facility

KWINANA, WA

CLIENT:

CBH

PROJECT VALUE:

\$52M

DURATION:

JAN 2022 – MAR 2023

The scope of work included the design and construction of a Bulk and Liquid Fertiliser Import, Storage & Dispensing facility at CBH's Export Terminal in Kwinana. In more detail the scope comprised:

- Dry Fertiliser Warehouse (55,000t).
- Two Liquid Fertiliser Tanks 16,000t each.
- Two UAN Truck Loading Stations 2x100t/hr capacity.
- 1.8 km long pipeline including pig launcher and receiver.
- Two weighbridges.
- Wheel wash station.
- Sitewide automation and control system.
- Admin building.
- Contaminated water evaporation pond.
- Site clearing, bulk earthworks, site roads.
- All concrete works including piling for tanks, SMPE works.
